Minutes of Selectmen's Meeting
Monday, June 15, 2015
11:30 a.m.

Board Members Present: Michele Shalaby, Chair
Nathaniel Yohalem
Tara White

Others Present: Mari Enoch
Laura Worth

The meeting of the Board of Selectmen convened at 11:30 a.m.

Laura Worth was interviewed for the position of Tax Collector. After many questions were asked by both Laura and the Board, Laura was told there were other candidates and she would be advised the interview outcome. Laura was told the Board hoped to have someone in place by July 1, 2015.

Tax Collector's Fees are in the account; Mari has not taken any fees. Mari suggested that a percentage of the fees be given to Kathy and herself. Mari stated that only an Annual Town Meeting can change the distribution of the fees. Tara will advise the exact amount of fees collected.

Board of Selectmen Chairman Michele Shalaby, suggested a minimum of 20 hours be established for the Tax Collector's position. One option for Tax Collector hours/fees would be a salary position in which the Tax Collector keeps any fees collected. A decision on hours/fees will be made after the other two candidates are interviewed.

Being that there was no further business to be brought before the Board, a motion was made, seconded and so voted by all members to adjourn the meeting at 12:15 p.m.

Respectfully submitted,

Sharon Fleck
Administrative Secretary
