
New Marlborough Board of Health Meeting
January 12, 2016
9:00 Am at 103 Hayes Hill Rd.

The meeting began at 9:30 AM with Chairman Larry Davis, III, Member Jack Bellinger and Agent Scott McFarland present, Norm Hankey was absent.

Discussed the costs, etc., of On-Line- Applications. The Board agreed that it is a promising program and recommends that the Board adopted the program. The Building Insepector's Office is already on this system.

There were no new septic plans presented.

141 Sisson Hill, Paula Ormsbee, applied for an upgrade to that system.

198 Foley Hill Rd. has two houses on a single shared system. It had been designed for 6 bedrooms. It was conditionally passed.

912 MR-Gt. Barrington Rd. passes with a new tank installed.

There being no further business, the meeting adjourned at 11::00AM.

Respectfully submitted,

Pia Bellinger, Secretary
