The meeting of the Board of Selectmen convened at 6:05 p.m.

Board of Selectman, Michele Shalaby, announced that because of inclement weather, the agenda items scheduled for the April 4 meeting will be continued to a later meeting. The special hearing for a special permit application for the Montero property at 95 Downs Road will be continued to the next Board of Selectmen's meeting.

A motion was made and seconded and so voted to continue the April 4, 2016 special hearing, to Monday, April 11, 2016. The special hearing will be continued during the regular Board of Selectmen's Meeting.

Being that there was no further business to be brought before the Board, a motion was made, seconded and so voted by all members to adjourn the meeting at 6:06 p.m.

Respectfully submitted,

Sharon Fleck
Administrative Secretary
