**October 19, 2012
Review of Army Corps Letter**

Minutes of October 19, 2012

The Meeting was opened at 3:00 PM.

All Selectmen were present. Also present: Town Counsel, Jeremia Pollard, Fire Chief, Peter Scala, Emergency Management Director, Barbara Marchione, Highway Superintendent, Peter Marks, and Administrative Assistant, Michael Skorput.

The meeting was held in regard to a letter sent from The New England District Corps of Engineers. The letter received indicated that the Town's actions taken in connection with flooding from Hurricane Irene may constitute a violation of the Corps of Engineers regulations. The Town disputes this allegation as stated by Town Council Jeremia Pollard. As a result of this meeting, a response letter will be written specifically asking the Corps to enumerate the aspects of work that exceeded the Town's authority.

Being that there was no further business to be brought before the Board a motion was made, seconded and so voted to adjourn at 4:05PM.

Respectfully submitted,

Nicole Reid
Administrative Secretary
