

New Marlborough Library Trustees Meeting, July 28, 2016

Brian called the meeting to order with Claudette and Debbie present.

The minutes were accepted.

Debbie reported that the film series had 22 people present, with 17 last minute no shows. This was upsetting as there was a waiting list.

The focus group for the 5 year plan went well. Mary King sent a summary.

A library survey will be in the August 5 Village News. The Mill River Post Office and the Library will have drop off boxes for the survey forms.

The Friends were very generous with donations for the library. It was decided to get a 10x10 tent and to use the 10x10 tent that Janice has, for use at the Elihu Burritt Day Bake and Book Sale.

The Friends will pay for the gazebo repair.

Brian attended the special town meeting concerning the budget cuts. He will speak to the Selectmen and ask them to notify the Trustees as well as Debbie concerning financial issues with the library.

We received the interest check of \$2261.32 from the Goodness Trust.

Debbie attended the Town Department Head meeting.

Debbie will be working on the ARIS Report due August 19th.

The library received a donation from Linda Buxbaum. Debbie will write her a note.

The friends reported that over \$5000 has been received from the fundraising letter.

The next meeting will be held August 18 at 5 pm.

Respectfully submitted, Claudette Callahan
