1. Call to Order
2. Approval of Minutes of September 10, 2015 Meeting
3. Presentation of Town Assessment Error for the FY'16 Budget Year (B. Turner, D. Hastings, H. D. Sears)
4. General Discussion of Impact, Consequences and solutions
5. Determine the Need for Additional Meeting on October 1, 2015
6. Adjourn

Please Note: The Chair was recently made aware that that there is a mechanical/mathematical error in calculating the percentage each member town was assessed for the FY16 budget. Several member towns were under assessed and several over assessed. Whereas it is our intention to rectify this error, it is necessary to have guiding input from several State agencies. Mr. Hastings is making the appropriate inquiries and I am hoping to have information by Wednesday. If, however, we need an extra day, Thursday Oct. 1, will have been posted. It is my intention to have the committee advise as to the need for the Thursday meeting with the distinct possibility that it will be cancelled.
